

WATERFALL

P.O.U Water Coolers

Authorized Dealer

VENDTEK OFFICE COFFEE

919-928-7414

Our most unique and aesthetically pleasing model is the Waterfall cooler. Its contemporary design is a change from the traditional round or square cabinets. Features include food grade stainless steel hot and cold water tank, quality and efficient compressor, and a large drip tray. The Waterfall is a popular choice for those looking for a reliable and attractive system.

- ☑ Contemporary unique design
- ☑ Easy to maintain and convenient to use
- ☑ Food grade stainless steel (SUS304) hot tank and cooling tank
- ☑ Large and durable drip tray
- ☑ High quality and efficient compressor for reliability
- ☑ Available in white and black
- ☑ 2 year Limited Warranty

Waterfall (Black)

POWERED BY INNOVATION

Waterways is the premier cooler manufacturer in the industry, with a long legacy of high quality and design. The Waterfall is a continuation of our dedication to innovation.

TECHNICAL DATA & SPECIFICATION

WATERFALL

P.O.U Water Coolers

Cabinet & Chassis:

One-piece blow molded high-density polyethylene plastic resists cracking, fading, and yellowing. Color molded into cabinet to hide scrapes caused by rough usage. Easy access to interior components and shock absorbing base, made of ABS plastic, that will never rust.

Cold Water Refrigeration Unit:

Convection cooled condenser that is spring mounted and hermetically sealed with automatic overload protector. No lubrication needed. Refrigerant is controlled accurately by a capillary tube.

Cold Water Reservoir:

Food grade stainless steel type SUS304, 1-gallon (3.8 liter) reservoir provides superior chilling for great tasting water. Highly polished surface is easy to clean and maintain.

Hot Water Tank:

Food grade stainless steel type SUS304, 0.32-gallon (1.2 liter) capacity. The 520 watts heating element ensures precise temperature control and removable thermostat and heating element allow for easy service.

Cooler Dimensions

Height	39.0 in (990mm)
Width	13.0 in (330mm)
Depth	13.4 in (340mm)
Faucet to Top	11.4 in (289mm)
Faucet to Drip Tray	9.1 in (231mm)

Cooler Weights

Cook & Cold	26.5 lb (12.0kg)
Hot & Cold	28.7 lb (13.0kg)

Shipping Dimensions

Height	39.0 in (990mm)
Width	13.0 in (330mm)
Depth	13.4 in (340mm)

Shipping Weights

Cook & Cold	28.7 lb (13.0kg)
Hot & Cold	30.8 lb (14.0kg)

Container Loading Quantity

20° FCL	238 Units
40° FCL	490 Units

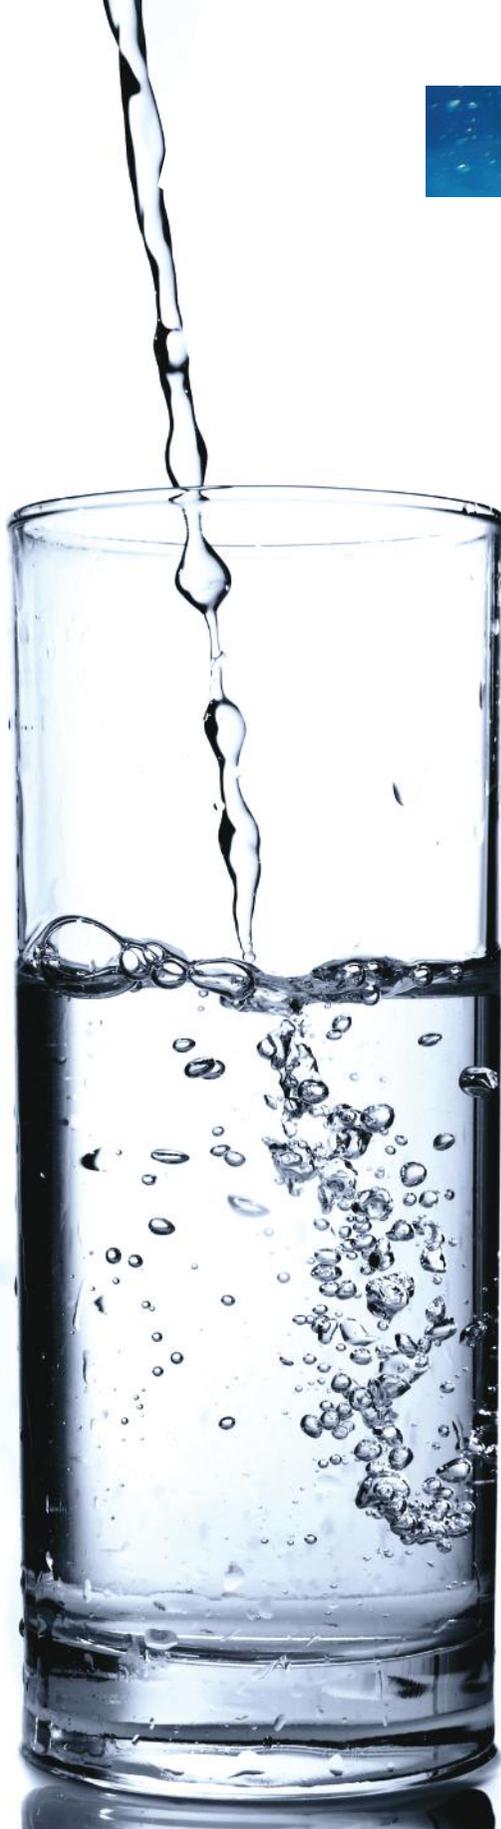

Electrical

115 volts (60 Hertz) or 220 volts (50 Hertz)

Refrigerant

All units contain HFC-134a refrigerant
Bottled cooler can be convertible to P.O.U. cooler in seconds. First, remove the bottle ring or non-spill top, place the float kit to reservoir, then cover with the flat top. Immediately, you have a workhorse P.O.U. cooler.

Specifications are subject to change without notice. Bottle and Filter System not included with cooler.

We design many cabinets with different exteriors to fit around the same interior unit. In refurbishing, you can always change the "outfit" to create a new look while maintaining your current specifications.
